Downtown Master Plan

The update of the Downtown Master Plan (DMP) is underway. The last DMP created in 2008-2009 has been closely followed as a guiding document for much of the development and change in the Downtown. From the consultant meeting with the DMP Implementation Committee, the focus of many in the room is on affordable housing and connecting the University. Public transit will have a vital role in meeting both areas of focus. The MUTD Board of Directors can assist in the process by attending public meetings and speaking with stakeholders to advocate/educate for public transit so it's importance is recognized in the final Plan. Positioning MUTD so it has a key role in collaboration/coordination with all projects and development will provide the opportunity to guide development that can be easily supported by public transit in an efficient manner.

Transfer Center Retail Space

Ninja Mike's has really transformed the vibe of the Transfer Center in a positive way. Staff recently learned from the tenant that the corner of the overhang above the street side order window does not provide protection from rain or snow. Staff is working to find a way to provide a mean of mitigating this problem before the snow arrives.

Facilities Master Plan

The project is planned to kickoff at the beginning of November. Staff is finalizing a schedule with DJ&A. The draft schedule has the Plan being completed in August 2019. This is an opportunity to plan for MUTD's facilities for the next 30-40 years.

Electric Buses

Windfall has been working on creating a new paint scheme for the electric buses. This will be an agenda item for the next Planning Committee meeting to make a final selection.

Bus Stop Master Plan

Planning and Operations Staff, along with MUTD's consultant, Territorial Landworks, met with City Engineering this week to review the proposed bus stop locations. The meeting was originally scheduled for 1 hour and ended up lasting nearly 5 hours. The meeting was very productive, and Staff is very appreciative of the City recognizing the importance of this project to MUTD.

Impact Fee Study

Our consultant, TischlerBise, has indicated they will have development projections to share with MUTD on October 19. Once MUTD and TischlerBise are comfortable with the projections, they will begin working on structuring the fees. This will be an agenda item for the next Planning Committee meeting, unless the Board feels it should be addressed by the Finance Committee.

Scooter / Bike Share

Scooters and Bike share are coming to Missoula by next spring. Staff will be working on how to handle potential issues / unforeseen problems which may arise from this new mobility service.

2018 Strategic Plan

The Strategic Plan was presented at a joint TPCC/TTAC meeting on October 4, and again at the Miller Creek Neighborhood Council meeting on October 16. There were many questions and comments from both meetings which we can expect to hear as MUTD moves forward with implementing the phases of our new Plan. Both presentations went well, and show the need for us to be sharing the Plan with more organizations and better understanding the tough questions and concerns as we attempt to address the public transit needs of the community.

General Manager's Report

Ninja Mike's grand opening occurred on September 4th. Mountain Line looks forward to the change in environment and great food options Ninja Mike's will bring to the Transfer Center.

Staff continues to negotiate the scope of services and cost for the Facilities Master Plan with MUTD's selected consultant, DJ&A.

AN RFQ was released for electric infrastructure engineering designs needed to accommodate the chargers for MUTD's new electric buses that are on order. Three responses were received, and will be discussed on today's agenda.

The Bus Stop Master Plan continues to be updated as Staff reviews every stop along Routes 1 and 2, along with comments from the City. The project is ongoing.

Staff met with CarsonBise for the initial fact finding and data gathering necessary to complete the Transit Impact Fee Study. The Study is projected to be completed by the end of 2018. Updates will continue to be provided.

MUTD's contract with the Missoulian for exterior bus advertising has expired. Staff released a new RFP which closed on August 30th. The new buses on order are not designed to accept advertising frames, so all Mountain Line buses will switch to vinyl advertisements. Three proposals have been received. Staff plans to have the new exterior bus advertising contract for approval at October's meeting.

Staff met with the City to discuss a possible annexing policy requiring properties annexing into the City to also annex into the Transportation District. This is an ongoing project, and Staff will continue with updates.

The 2018 Strategic Plan will be presented at a joint meeting of TPCC and TTAC on October 4th at 10:00 am at the City Council Chambers. The presentation will be given by Staff and Michelle from Jarrett Walker & Associates.

Minutes of August 22, 2018

Dodson made a motion to approve the minutes of August 22, 2018, seconded by Goldman. The motion carried unanimously.

Country Crest Petition into District

Aldridge explained the petition for Country Crest No. 3B, Lot 64 Subdivision for Inclusion into the Transportation District. Staff received the petition into the Transportation District, accompanied by a site plan indicating the lots within the project.

Dodson made a motion to approve Resolution 18-04 to expand the boundaries of the Transportation District to include Country Crest No. 3B, Lot 64 Subdivision, seconded by MacArthur. The motion carried unanimously.

Electric Engineering Design

Caristo described the changes needed to be made to MUTD's current facility to accommodate the electric bus charging stations. A Request for Qualifications was released on August 1st, 2018, and three (3) responses were received. CTA Architect Engineers was determined to be the most qualified for this project. Staff has negotiated a final scope of work and price proposal.

Blair made a motion to authorize the General Manager to execute a contract with the firm CTA Architects Engineers in the amount of \$19,946, plus a 3% contingency, seconded by MacArthur. The motion carried unanimously.

Facilities Master Plan

Caristo discussed the growing need for expanded facilities, as the current MUTD maintenance and operations facility has reached full capacity. Staff worked with the Planning Committee to figure out a scope of work for a planning study capable of identifying MUTD's needs for a new facility.

A Request for Qualifications was issued on May 7th, 2018, looking for firms with civil and structural engineering expertise on the design of federally funded transit facilities to complete the Facilities Master Plan. Responses were received from three (3) firms, and DJ&A was chosen as the most qualified for the project.

Dodson made a motion to authorize the General Manager to execute a contract with the firm DJ&A, P.C., in the amount of \$159,926, plus a 3% contingency, seconded by MacArthur. The motion carried unanimously.

Reserve Policy

Magnusen gave a presentation on the Pro Forma and Reserve Policy revisions. The Finance Committee recommendations were to use Interest Earned to pay for Operating expenses. The following capital reserves were recommended: Operating Reserve, Fleet Replacement Reserve, and Facilities Capital Project Reserve. These are funded from existing reserves and unrestricted net assets.

Blair made a motion to approve the revisions to the Reserve Policy, seconded by Goldman. The motion carried unanimously.

Adjournment
The meeting adjourned at 1:58 p.m.

Ridership Reports

Attachments

- 1. Financial Statements
- 2. Ridership Reports

Recommendation: The Board receives the August 2018 Financial Statements and Ridership Reports.

Discussion:

The capital and operating reserves are separated into the different categories with cash funds that are available. The accounts receivable will fund the three (3) month operating reserve of \$1,757,370 and \$800,000 towards the fleet replacement reserve once collected later this year.

Statement of Net Position:

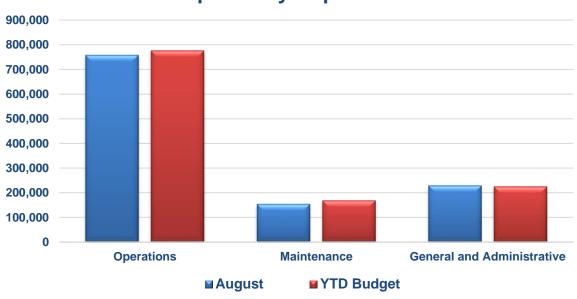

- Facilities Capital Project is fully funded at \$2,400,000. No additional contributions are planned for this budgeting cycle.
- Fleet Replacement Reserve is partially funded at \$4,170,753. An additional \$800,000 will be contributed to this later in the year and will be at a seven (7) month reserve. Monthly contributions from operations is \$14,585 and from Phase II funding is \$14,198.
- Phase II Operating Funding is fully funded at \$1,021,385. The monthly contribution from operations is \$5,960.
- The net position of \$16,491,307 includes Unrestricted of \$3,058,164 which will be allocated to the Fleet Replacement Reserve and Operating Reserve once the accounts receivable has been collected.

Statement of Revenues, Expenses, and Changes in Net Position:

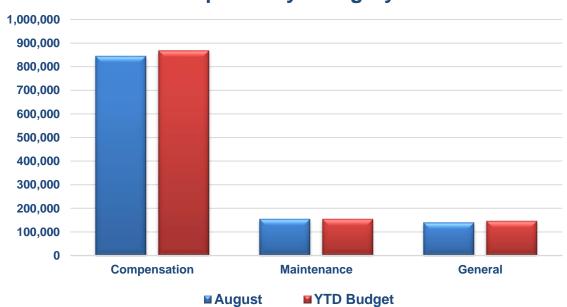

- The August 2018 financial statements show a net change in position of \$156,312 compared to FY2018 of \$31,363.
- Total Operating Revenue is tracking closely to budget.
- The expenses are 2.5% less than the budget.

Missoula Urban Transportation District FY2019 & FY2018 Senior Van Ridership

MUTD Board Staff Report

To: Board of Directors

From: Corey Aldridge, General Manager

For Meeting: October 25, 2018

Subject: Advertising Policy

Recommendation: Approve the Advertising Policy for MUTD facilities and vehicles.

Discussion: MUTD's existing Advertising Policy dates to 2007, and states:

"It shall be the policy of the Missoula Urban Transportation District that no advertising concerning alcohol or tobacco products, political candidates or issues, or pornography shall be permitted on, or within the confines of the bus. All advertisements shall be in good taste.

Any person proposing to advertise on Mountain Line buses shall first submit all artwork and copy for each proposed advertisement to the General Manager or the designated staff member for approval. Approval for any proposed advertisement shall be within the sole discretion of MUTD, subject to the requirements set out in the foregoing paragraph."

The proposed Advertising Policy (Attachment 1) provides more detailed descriptions of the types of content that are prohibited from being displayed on MUTD facilities and vehicles.

Financial Impact: None.

Policy

Policy Overview

The advertising program is intended to generate revenue to support the transit system. Transit operations are funded by a combination of federal, state and local funds. MUTD does not intend its acceptance of transit advertising to convert its Transit Vehicles or Transit Facilities into open public forums for public discourse and debate. MUTD's fundamental purpose in accepting transit advertising is to generate revenue to augment its operating budget. In furtherance of that discreet and limited objective, the MUTD retains strict control over the nature of the ads accepted for posting on or in its Transit Vehicles and Transit Facilities and maintains its advertising space as a limited public forum.

It shall be the policy of the Missoula Urban Transportation District (MUTD) that any advertising displayed on MUTD facilities or vehicles shall not contain any of the following elements, as determined by the General Manager or their designee:

- False, Misleading, or Deceptive Commercial Speech. The advertisement proposes a commercial transaction, and the advertisement or information contained in the advertisement is false, misleading, or deceptive.
- <u>Libelous Speech, Copyright Infringement, etc</u>. The advertisement, or any material contained in it, is libelous or an infringement of copyright, or is otherwise unlawful or illegal or likely to subject MUTD to litigation.
- <u>Unlawful Goods or Services</u>. The advertisement or material contained in it, promotes unlawful or illegal goods, services, or activities.
- Endorsement. The advertisement or any material contained in it, implies or declares an endorsement by MUTD, its Directors, management, or employees of any service, product, or point of view without prior written authorization from MUTD.
- Prurient Interest. The advertisement contains material that describes, depicts, or represents sexual activities, or aspects of the human anatomy in a way that the average adult, applying contemporary community standards, would find

appeals to the prurient interest of minors or adults.

- "Adult" Oriented Goods or Services. The advertisement promotes or encourages or appears to promote or encourage, a transaction related to, or uses brand names, trademarks, slogans or other materials which are identifiable with, films rated "X" or "NC 17," adult book stores, adult video stores, nude dance clubs, and other adult entertainment establishments, adult telephone services, adult internet sides, and escort services.
- Obscenity or Nudity. The advertisement contains obscene materials or images of nudity.
- Unlawful and Detrimental Conduct. The advertisement, or any material contained in it, that promotes or encourages, or appears to promote or encourage, unlawful or illegal behavior or activities, and promotes behavior or activities which are detrimental to the maintenance and safe operations of MUTD.
- <u>Demeaning or Disparaging</u>. The advertisement contains images or information that demeans or disparages an individual or group of individuals on account of race, color, religion, national origin, ancestry, gender, age disability or sexual orientation.
- Violence. The advertisement either (a) contains images or descriptions of graphic violence, including, but not limited to, the depiction of weapons or other implements or devices used in the advertisement in an act or acts of violence or harm on a person or animal; or (b) the advertisement, or any material contained in it, incites or encourages, or appears to incite or encourage violence or violent behavior.
- **Firearms**. The advertisement contains an image of a firearm.
- **Profanity**. The advertisement contains words recognized by the community as vulgar indecent or profane for display in a public setting that includes minors.
- Alcohol/Tobacco. The advertisement promotes the use of alcohol and/or tobacco products.
- **Graffiti**. The advertisement contains graphics or language that promotes, resembles, or otherwise encourages graffiti or vandalism.
- <u>Inappropriate Graphics</u>. The advertisement contains graphics recognized by the community as inappropriate, including, but not limited to, the depiction of human or animal bodies or body parts, or fetuses, in states of mutilation, dismemberment, decomposition, or disfigurement.

Political Campaign Speech. Advertising that promotes, or opposes a political party, any person or group of persons holding federal, state or local government elected office, the election of any candidate or group of candidates for federal, state or local government offices, or initiatives, referendums or other ballot measures.

MUTD Board Staff Report

To: Board of Directors

From: Vince Caristo, Project Management Specialist

For Meeting: October 25, 2018

Subject: Exterior Advertising Contract

Recommendation: Authorize the General Manager to execute a revenue contract with Missoula Broadcasting Company for exterior advertising services.

Discussion: For many years, Mountain Line has generated revenue and in-kind advertising benefits through an agreement with the Missoulian for the sale of exterior bus advertising. The most recent agreement covered the period from July 1, 2015 to June 20, 2018. Since that time, we have had a month-to-month agreement with the Missoulian at 50% of the original contract amounts, while we undertook a competitive process to award a new long-term contract.

Staff issued RFP #19-01 for Exterior Advertising Sales on August 3rd, 2018. Two aspects of the RFP represented a significant change from prior practices – 1) the selected firm would need to physically install the ads on our buses, and 2) the existing metal ad frames would be removed from our buses and the ads would need to be printed on adhesive vinyl material.

Three proposals were received by the August 30th deadline, each from local firms – the Missoulian, Windfall, and Missoula Broadcasting Company. Since each firm's proposal was non-responsive to the terms of the solicitation, in an identical way, each firm was given the opportunity to revise their proposal by September 14th. During this time, the Missoulian rescinded their proposal.

An evaluation committee comprised of several staff members reviewed and scored each of the proposals based on the following criteria that was listed in the RFP: Qualifications and Experience (40%), Revenue (40%), Creative Ideas (15%), and Incentives (5%). The proposal from Missoula Broadcasting Company was determined to provide the best value to the agency in terms of these criteria.

The Missoula Broadcasting Company is offering the following compensation to MUTD for the exclusive rights to manage exterior bus advertising per MUTD's requirements:

- 35% of net advertising revenue
- A minimum monthly guarantee of \$4,000 in year 1, \$4,400 in year 2, and \$4,800 in year 3
- \$29,382 of in-kind radio advertising across 4 local radio stations

1. Missoula Broadcasting Proposal

Web banners promoting Mountain Line for the duration of the contract period

The process of transitioning to a new advertising agency and a new advertising format at the same time is proving to be complex. Missoula Broadcasting Company needs time to develop new customers and transition old ones, and MUTD staff need time to remove the existing ad frames and prepare the surfaces for the application of adhesive vinyl. For this reason, staff has determined that it's in the best interest of both MUTD and Missoula Broadcasting Company to establish a transition period in which the minimum monthly guarantee is waived.

Staff recommends that the board authorize the general manager to execute a contract with Missoula Broadcasting Company for exterior advertising sales per the terms of their proposal in response to RFP #19-01, to begin as soon as November 1, 2018, with the exception that the minimum monthly guarantee go into effect no later than March 1, 2019.

Financial Impact: This contract is expected to generate more than \$48,000 in program revenue per year.

Proposal for Exterior Advertising Sales RFP # 19-01 Missoula Urban Transportation District (MUTD) Missoula, MT

Proposers Qualifications

Summary

The Missoula Broadcasting Company is a locally-owned and operated media company serving Missoula since 2014. Our stations are KDTR-FM (Trail 103.3), KKVU-FM (U104.5), KYJK-FM (Jack 105.9) and ESPN Radio (102.9 FM). The combined reach of our radio group is 43,794 listeners EVERY week (12 yrs +).

We dedicate over 300 hours of advertising a year to local, non-profit organizations. Our entire staff of 16 is also involved in our community, serving as event volunteers and serving on a significant number of nonprofit organization Boards of Directors throughout Missoula.

Firm Experience

To date, Missoula Broadcasting has not provided exterior advertising services to any entity. However, with a seasoned sales staff of 6 with combined experience of over 60 years in media sales including radio, TV, Internet and print we are confident in our ability to generate healthy revenues for Mountain Line

The company is proud of this heritage as well as of the individual connections made by its team of experienced advertising executives, each of whom is heavily invested in the growth and success of Missoula's business, industry and non-profit sectors. Missoula Broadcasting Company is considered by many in Missoula as the "community radio group" with an owner and staff that are engaged and involved in the community and are well known and respected in Missoula. The strong long-term relationships our sales staff has formed with local business leaders will be leveraged to maximize advertising income for MUTD.

Currently, Missoula Broadcasting services over 400 active, on-air clients in addition to an active prospect list of well over 800 accounts. Missoula Broadcasting is on track to meets its 2018 budget of \$1,930,000.

Financial Stability

Missoula Broadcasting Company (MBC) represents the collaboration of four established commercial radio stations with the financial direction, support and leadership of media conglomerate Simmons Media Ventures.

Simmons Media Ventures, which operates radio stations and various other media and advertising companies across the western United States, was founded nearly 40 years ago by president and CEO David Simmons. Simmons Media partnered with Becky Smith to found Missoula Broadcasting Company, LLC in 2014, and the two co-owners have directed and overseen successive years of profitability ever since.

In addition to providing quality entertainment, news and information through its four commercial stations – as well as its websites and social media platforms – MBC has cemented itself as a pillar of the Missoula community. The company is increasingly involved as sponsor of the community's largest events and is a regular contributor to its most important foundations and non-profits. Both Becky and David are excited about utilizing this new advertising opportunity to continue that growth.

Missoula Broadcasting Company has not been named in any past or pending litigation regarding failure to perform in accordance with contractual obligations or alike. Further, there have been no projects that have resulted in time extensions and/or the assessment of liquidated damages against any Missoula Broadcasting Company employee.

Proposal for Exterior Advertising Sales RFP # 19-01 Missoula Urban Transportation District (MUTD) Missoula, MT

Technical Proposal

Detailed Work Plan

Missoula Broadcasting Company is fully prepared to manage the sales and marketing process, encompassing client sales contracts and the coordination of production of printing services, posting and removing signage, billing and collecting revenues from clients and other customary business practices. Missoula Broadcasting Company will be contracting Big Bear Signs of Missoula in the design (as applicable), printing and installation of exterior signage. However, Missoula Broadcasting will be solely responsible for the requirements set out in the RFP in their entirety.

Well over 60 percent of our clients are committed to annual contracts which are generally reviewed and solidified for the upcoming year in the fourth quarter of the existing year. Exterior advertising will be sold in conjunction with annual radio advertising campaigns and as stand alone campaigns for existing and prospective Missoula Broadcasting Company clients.

Wifi sponsorships will offered as exclusive service and partial service levels on a quarterly or annual basis. Missoula Broadcasting Company would like to work closely with MUTD to determine proper pricing levels that will result in maximum revenues for MUTD.

We intend to fulfill the requirements of this RFP utilizing the existing snap rail system installed on the Mountain Line fleet with the intention of installing the same rail systems on the new buses that will be introduced to the fleet in the coming years. We will offer 5 standard exterior advertising options to clients.

Incentives

As an added benefit to MUTD, Missoula Broadcasting Company will include in the contract \$29, 382 worth of radio advertising on an annual basis which can be utilized to maximize advertising revenues and increase community awareness of the benefits of public transit. Radio spots and live reads will be utilized to educate prospective clients on the benefits of exterior advertising on the Mountain Line Fleet and can also be used to encourage listeners to take public transit.

Exterior advertising revenues will be maximized with messaging to over 43,000 listeners every week across our 4 stations. It is also our hope that it will also garner good will for sustainable transportation

In addition, we will have web banners on our 4 station website promoting Mountain Line exterior advertising for the duration of the contract period.

Consistently rated Missoula's top commercial radio station, THE TRAIL 103.3 brings together deep cuts from classic rock artists like Neil Young and the Rolling Stones with lesser-known modern favorites like Wilco, Lucinda Williams and Alabama Shakes.

From popular alternative acts to the overlooked masterpieces of the '70s and '80s to jam bands and even local acts, the Trail is a radio station is progressive rock for adults who love music.

And with a variety of in-house programming from knowledgeable announcers – including shows on bluegrass, the Grateful Dead and even a travellogue – the Trail is a radio station as unique as Missoula.

Engaging, current, unique and entertaining - that's what sets 104.5 the U apart from the rest.

This station is all about the hits: Genres ranging from singer-songwriters like Ed Sheeran and Adele to power-pop superstars like Taylor Swift and Justin Bieber to even alternative chart toppers like Imagine Dragons and Avicci – with country crossovers and club favorites along the way.

And 104.5 the U takes pride in being a community connection for active listeners, sponsoring multiple community events and prioritizing news, weather and other announcements.

Variety with attitude - that's what listeners get when they tune in to 105.9 JACK FM.

You never know what song will play next - in fact, you can't even anticipate the *genre*. Pop, rock, 1980s classics, modern dance - Jack spins the hits without worrying about categories.

Listeners and sponsors appreciate Jack's fewer interruptions and more music. And with a self-depracating attitude, Jack knows how to poke fun at itself and the many "radio-isms" popular with less hip radio DJs.

On Jack you will find fiercely loyal listeners, with a broad appeal among both men and women ages 25-54.

As Missoula's only local sports talk radio, 102.9 ESPN MISSOULA is the place to go for local sports, from the Griz to the Osprey to the high school level.

ESPN Missoula's award-winning "Tootell & Nuanez" features in-house analysis, news and commentary from Ryan Tootell and Colter Nuanez.

But ESPN isn't strictly local - you can also follow all your favoriate national sporting news with the affiliate's popular syndicated shows, hourly SportsCenter updates and live broadcasts of all the big games.

ESPN listeners are extremely loyal sports enthusiasts and when they tune in, they stay tuned in all day long.

MUTD Board Staff Report

To: Board of Directors

From: Vince Caristo, Project Management Specialist

For Meeting: October 25, 2018

Subject: Strategic Messaging Contract

Recommendation: Authorize the General Manager to execute a one-year contract with the firm M+R Strategic Services, Inc. for strategic messaging services in an amount not to exceed \$36,000.

Discussion: M+R Consulting has been working with Mountain Line for many years on strategic messaging, media relations, brand maintenance, and community engagement. They were an instrumental component of Mountain Line's successful 2013 mill levy. More recently, they have assisted staff and the board in developing our Zero-Fare partner program and '40 for 40' Campaign, and in refining our messaging related to the 2018 Strategic Plan.

MUTD's recent contract with M+R began on June 1, 2015 ended on May 30, 2018, with an additional 1-year option. Because of their considerable understanding and knowledge of MUTD's operations and history, staff had determined that the costs required to duplicate this knowledge with another firm would outweigh the benefits of competition, and that a 1-year sole source contract extension is justified.

The proposed contract with M+R is a fixed fee of \$3,000 per month and covers activities that fall under the following work elements: Financial Structuring, Community Engagement, Media and Brand Maintenance, and Ongoing Strategic Messaging (see Attachment 1 for more detail). It also includes pricing for optional services to implement and analyze a community survey and to conduct a community stakeholder process.

Staff recommends the board authorize the General Manager to execute a one-year contract with the firm M+R Strategic Services, Inc. for strategic messaging services in an amount not to exceed \$36,000.

Financial Impact: The project is included in the FY2019 budget.

1. Draft Contract with M+R

This Consulting Agreement ("Agreement"), dated as of September 7, 2018, is by and between M&R Strategic Services, Inc., ("M+R"), a public affairs consulting firm incorporated in the State of New York, and Missoula Urban Transportation District ("Client"), a governmental agency.

WITNESSETH

WHEREAS, Client desires to avail itself of the expertise and services of M+R and M+R desires to make its expertise and services available to Client upon the terms and conditions set forth herein:

NOW, THEREFORE, in consideration of the agreements below, the parties agree as follows:

- 1. **CONSULTING SERVICES.** M+R agrees to perform the services in the following areas for Client as described below during the term of this Agreement:
 - Area 1: Financial Structuring
 - Area 2: Community Engagement
 - Area 3: Media Relations and Brand Maintenance
 - Area 4: Ongoing Strategic Messaging

See Schedule A attached to this agreement for greater detail and specific activity for each area of work.

 $\mbox{M+R}$ will provide the services in a professional manner consistent with industry standards.

- 2. **TERM OF AGREEMENT.** The term of this Agreement shall commence on August 1, 2018, and shall end on June 30, 2019, or on such date as is otherwise agreed by both parties in writing. Termination may occur at any time, at the discretion of either Client or M+R upon 30 days written notice to the other.
 - 3. **COMPENSATION.**

- a. <u>Rate of Compensation</u>. The compensation for services hereunder shall be a retainer of \$3,000 per month. Invoices will be provided monthly and due and payable no later than 30 days after receipt of invoice. Such compensation may be adjusted by the mutual agreement of the parties as evidenced by a written addendum to this Agreement. M+R reserves the right to charge interest at a rate of 1.5 percent per month for late payment of amounts owed under this Agreement.
- b. <u>Payment Upon Early Termination</u>. In the event of early termination of this Agreement for any reason, Client shall no longer be obligated to make any payments to M+R. However, any payments due for services rendered prior to such termination, but not yet made in full, shall be due and payable within 30 days of the receipt of notice of termination by either of the parties.
- c. <u>Reimbursement of Expenses</u>. Client shall reimburse M+R for reasonable travel, lodging and out-of-pocket expenses, such as courier, mail services, long distance phone calls and other necessary services, incurred in connection with the services provided to Client under this Agreement. Mountain Line will provide M+R with a budget limit. Any changes to the budget shall be agreed to with a simple note of agreement. M+R shall provide Client with an itemized invoice and all invoices shall be due and payable no later than 30 days after receipt by Client.
- 4. **CONFIDENTIALITY.** During the term of this Agreement, the parties may provide each other with information about itself or a related entity, whether oral or written, that is confidential and proprietary. Each party agrees that it will not, directly or indirectly, at any time during the term of this Agreement or thereafter, divulge, furnish, make accessible, or permit the disclosure to any third party of any information divulged by the other party that is either marked as "confidential" or that the party should reasonably understand to be confidential and proprietary information belonging to the other party. Notwithstanding the foregoing, either party may disclose confidential information of the other party to employees with a need to know who have agreed to keep such information confidential. The obligation of confidentiality does not apply to any information that is or becomes generally known to the public or the trade and has become known without the commission of a tortious act by the person disclosing the information.
- 5. **OWNERSHIP.** Upon payment in full pursuant to this Agreement, M+R hereby transfers and assigns to Client all right, title and interest (including copyright rights) in and to the materials produced by M+R for Client pursuant to this Agreement ("Materials"). Notwithstanding the foregoing, M+R retains all rights to the methodology and other know-how used in creating such materials for Client and has the right to use such methodology and other know-how in work for other clients. In addition, M+R retains all rights to any preexisting work product used by M+R in connection with the deliverables prepared for Client pursuant to this Agreement. M+R hereby grants Client a nonexclusive license to use all such

preexisting work product in the deliverables prepared for Client pursuant to this Agreement. Client understands that M+R has the right to use all preexisting work product in work for other clients. M+R represents and warrants that the Materials shall either be original works or, if not original works, that M+R will procure the necessary licenses and/or releases from third parties to enable Client to use the Materials as contemplated by this Agreement. M+R agrees to indemnify and hold Client harmless from any and all claims, actions, losses, damages, costs and expenses (including reasonable attorneys' fees) arising out of a breach of the foregoing representation and warranty.

- 6. **OTHER CONSULTING SERVICES.** Client and M+R agree that M+R may provide independent consulting services to other individuals or entities, provided, however, that:
- a. Such other independent consulting services shall in no way impair M+R's ability to provide consulting services to Client pursuant to this Agreement and $\frac{1}{2} \frac{1}{2} \frac{1}{2}$
- b. M+R shall observe in full the confidentiality requirements set forth in Section 4 of this Agreement while providing consulting work for other individuals or entities.
- 7. **INDEMNIFICATION.** Client will indemnify and hold M+R harmless from any liabilities, actions, damages, claims, demands, judgments, losses, attorney's fees and attachments arising from, or related to, any pending suit, threatened or contemplated action, suit or proceeding attributable to the services rendered by M+R to Client under the terms of this Agreement. Client will not indemnify M+R if the liabilities, actions, damages, claims, demands, judgments, losses, attorneys' fees and attachments are due to the gross negligence or willful misconduct of M+R or are the result of any infringement of any copyright by M+R.
- 8. **INDEPENDENT CONTRACTOR**. The relationship of the parties is strictly that of independent contracting parties, and nothing in this Agreement, or in the relationship contemplated by this Agreement, shall be deemed to make the parties in an employment relationship or to make either party an agent, joint venturer or partner of or for the other party.
- 9. **ASSIGNMENT.** This Agreement shall be binding upon the successors and assigns of the parties. Either party may assign this Agreement as part of a corporate change of control of such party, upon written notice to the other party. Neither party may assign this Agreement for any other reason without the other party's prior written consent.

10. **DISPUTE RESOLUTION.**

- a. <u>Notice.</u> In the event of any controversy or claim arising out of or in connection with the performance of the Agreement, the aggrieved party shall give to the other party written notice specifying with reasonable particularity the nature of the alleged controversy or claim.
- b. <u>Meeting.</u> Within 10 business days after receipt of such notice, the parties hereto shall meet face-to-face, and in good faith endeavor to arrive at a mutually satisfactory resolution of such controversy or claim.
- c. <u>Arbitration.</u> In the absence of a resolution, said controversy or claim shall be settled by binding arbitration before a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof.
 - d. <u>Location.</u> The proceedings shall be held in Washington, DC.
- e. <u>Costs.</u> The arbitrator shall assess all expenses of arbitration, including arbitration fees, costs and reasonable attorney's fees, in favor of the party the arbitrator determines to be the prevailing party.
- 11. **SEVERABILITY.** Any provision of this Agreement that is found to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be deemed to be modified to the extent necessary to render such provision valid and enforceable; if such provision may not be so saved, it shall be severed and the remainder of the Agreement shall remain in full force and effect. Modification or severance of a provision in any jurisdiction shall not serve to modify, invalidate or render unenforceable such provision in any other jurisdiction.
- 12. WAIVER OF OFFICERS AND DIRECTORS LIABILITY. Neither party shall have recourse or right of action against any shareholder, officer, director or member, in his or her individual capacity as such, past, present or future, of the other party or of any successor thereto, whether by virtue of any statue or rule of law or otherwise, all such liability being, by the acceptance hereof and as part of the consideration of the execution hereof, expressly waived and released.
- 13. **GOVERNING LAW; CAPTIONS.** This Agreement contains the entire agreement between the parties regarding the subject matter hereto and supersedes all prior and contemporaneous agreements, whether oral or written, between the parties regarding such subject matter. This Agreement shall be governed by the laws of the District of Columbia without regard to its conflict of laws rules. This Agreement may be modified only by written agreement signed by both parties. Section headings are for convenience of reference only and shall not be considered in construing this Agreement.

- 14. **SURVIVAL.** The provisions of Sections 3b, 4, 5, 7, 10, 12 and 14 shall survive any expiration or termination of this Agreement.
- 15. **ASSISTANCE WITH GOVERNMENT INQUIRY.** In the event of a government inquiry, M+R agrees to assist Client in a timely and reasonable manner in responding to such inquiry or investigation and Client agrees to compensate M+R for any associated personnel costs and related expenses.
- 16. **NOTICES.** Any notice or other communications required or permitted hereunder shall be in writing and shall be deemed effective when delivered in person or, if mailed, on the date of deposit in the mail, postage prepaid, addressed, in the case of M+R, to Marlee Miller, COO, 1101 Connecticut Ave., NW, Suite 700, Washington, DC 20036, and, in the case of Client, to Missoula Urban Transportation District, 1221 Shakespeare, Missoula, MT 59802, or such other address as shall have been specified in writing by either party to the other.

IN WITNESS WHEREOF, the Client and M+R each has caused this Agreement to be signed by its duly authorized representative as of the day and year appearing above.

MUTD Board Staff Report

To: Board of Directors

From: Corey Aldridge, General Manager

For Meeting: October 25, 2018

Subject: Disposal of Obsolete Fareboxes

Recommendation: Approve the disposal of obsolete fareboxes.

Attachments

None

Discussion: In January 2015, Mountain Line went fare free and introduced passenger counting technology, which eliminated the need to use the existing fareboxes. When the fare free program was extended in January 2018 the fareboxes were removed from the buses and placed in storage. The lack of use, vibration issues and the dust from daily service will require extensive maintenance efforts if they were returned to service. Additionally, these are old fareboxes and are well beyond retaining residual value and maintenance will no longer be provided by the manufacturer.

Genfare, the manufacturer of our fareboxes has offered to arrange for shipping of the fareboxes and related parts and equipment, and has offered \$100.00 per box returned. We would stack the boxes and related equipment on pallets for shipping and notify Genfare that they are ready to ship.
