Paratransit Application

1. Eligibility Questionnaire

This form must be completed by the applicant or someone authorized to sign on the applicant's behalf.

2. Professional Verification Form

All applicants must sign the Authorization for the Release of Information included in part 2, page 1. The rest of the form must be completed by a professional who is familiar with the applicant's condition and qualified to respond (see right).

3. Submit Both Forms Together

Submit both the **Blue Eligibility Application** and the **Green Professional Verification** together. All applications will be processed within 21 calendar days of receipt of the completed packet and the applicant will be notified in writing of Mountain Line's determination of eligibility.

Avoid Delays in Application Process

- All pages for both forms must be submitted
- Check that all questions have been answered
- Make sure all needed signatures are present
- Double check the professional credential section is complete

An incomplete application will be returned to the applicant one (1) time with a notice of what is missing. If it is returned to Mountain Line Paratransit incomplete a second time, the applicant will be sent a new blank application to complete.

List of Qualified Professionals:

- Physician or Psychiatrist
- Physical Therapist
- Physician Assistant
- Licensed Clinical Social Worker (LCSW)(LCPC)
- Occupational Therapist
- Registered Nurse or Nurse Practitioner
- Psychologist
- Certified Orientation and Mobility Specialist
- Speech/Language Pathologist

Mountain Line recognizes that many professionals work with clients that are disabled and the list above is not meant to exclude those professionals. In general, this will require completing a multi-year degree program and/or being licensed by the State of Montana. A primary care physician is often able to adequately complete this form. You do not need to visit a specialist.

In-Person Assessment

The eligibility of most applicants can be determined by the forms submitted to Mountain Line staff. However, there may be cases where Mountain Line requests to conduct an in-person functional assessment of an applicant's disability. This assessment may include, but is not limited to:

- A conversation about the applicant's mobility
- Reading a bus schedule to plan out a bus trip
- Taking a short walk
- Practice boarding an actual bus

If an in-person assessment is requested, your application will still be processed within 21 calendar days of receipt. Transportation will be provided.

Dear Healthcare Professional:

The patient listed on the accompanying release form is applying for Mountain Line Paratransit Service. The information you provide in answering the questions on the enclosed questionnaire will aid Mountain Line in making a Paratransit eligibility determination. Please keep in mind this document is time sensitive. Because demand for this service is high, qualification criteria are stringent. For the benefit of the applicant please answer all of the questions completely and accurately. Please return completed questionnaires to the applicant so that they can return the completed packet to Mountain Line.

In accordance with Americans with Disabilities Act (ADA) guidelines, Paratransit service is available only for persons who have disabilities that prevent them from traveling on Fixed Route Buses. The individual could be prevented by inabilities to independently get to and from a bus stop, on or off a bus, or to successfully navigate to a destination.

Please keep in mind that ADA Paratransit eligibility is not based on age, a medical condition, the inability to drive, or the use of a particular mobility aid. The severity of a disability does not confer eligibility. Comfort and convenience are not factors. ADA Paratransit eligibility is based on the EFFECT that a disability has on your client's ability to use the regular Mountain Line lift and ramp equipped Fixed Route Bus system.

All information provided will remain confidential. If you have any questions, please call 721-2848.

Thank you for your assistance,

Mountain Line Paratransit Services
