Mountain Line Transfer Policy

Mountain Line does not guarantee transfers, but many Missoula riders use multiple routes to reach their final destinations every day. The most convenient places to transfer between routes are the Downtown Transfer Center and Southgate Mall. Buses will not wait for a transfer if an incoming bus is running more than 3 minutes behind schedule. If you intend to transfer to another route on your trip, let your operator know which route you wish to transfer to as soon as you board your first bus. Our operators will do their best to help you on your journey.
